+91 9381333923 – Warangal, Telangana, India

shivakrishnachinnu21@gmail.com – LinkedIn – GitHub – Portfolio

EDUCATION

Bachelor of Technology - CSE (Artificial Intelligence & Machine Learning)

2021 – 2025

Vaagdevi College of Engineering, Warangal

CGPA: 7.6

SKILLS

Languages Python, JavaScript, SQL
Frontend HTML, CSS, ReactJS, Responsive Web Design
Backend REST API Integration, API Handling
Databases SQL Server, MySQL, CRUD, Joins, Aggregations
AI/ML Machine Learning, CNN, Data Preprocessing, Generative AI
Libraries Pandas, NumPy, Scikit-learn
Tools Git, GitHub, Figma, MS Excel
Concepts Debugging, Automation, Data Analysis, Problem Solving

EXPERIENCE

Frontend Developer Intern

May 2025 – Feb 2026

Manocore Technologies

- Developed responsive web applications using ReactJS, HTML, CSS, and JavaScript.
- Integrated REST APIs for dynamic data rendering and real-time updates.
- Debugged UI and functionality issues to improve performance and usability.
- Designed UI layouts in Figma and collaborated using Git and GitHub.

AI/ML Intern

Jul 2024 – Sep 2024

AICTE EduSkills

- Performed data preprocessing and analysis on machine learning datasets.
- Improved data handling techniques and optimized preprocessing workflows.
- Worked on AI/ML concepts and predictive system implementation.

PROJECTS

Trip Adviser AI — ReactJS, Django, MySQL

- Built a full-stack AI travel planner using ReactJS and Django.
- Integrated APIs for dynamic recommendations and real-time updates.
- Optimized UI responsiveness and database query performance.

Underwater Species Classification — Python, CNN

- Developed a CNN-based image classification model for underwater species detection.
- Improved prediction accuracy using preprocessing and augmentation techniques.

CERTIFICATIONS

- SQL & Database Testing – Infosys Springboard
- Web Development Training – Internshala
- IBM Cybersecurity Fundamentals
